RE: Counterterrorism Training

Dear Avi:

On behalf of the Federal Bureau of Investigation (FBI), I would like to thank you for the Counterterrorism training you recently provided to Special Agents and Intelligence Analysts of this office. It was evident to everyone in attendance that you possess a wealth of knowledge in the areas of terrorist behavior recognition, proper security protocols for large public events and venues, and the history and modus operandi of multiple terrorist organizations. In addition, the personal and professional experiences you shared made your training curriculum even more insightful and realistic. Again, the FBI, Dallas Division would like to thank you for the very informative training session and wish you and your company, Mayday International, continued success.

Sincerely,

Supervisory Special Agent
