Dear Mr. Niv,

On behalf of our Federal Security partners, TSA Mass Transit would like to give a very special thank you for joining us at the 9th Transit Security and Safety Roundtable in Dallas. Your presentation on **Transit Terrorist Trends** contributed to the overall success of the Roundtable. Participants commented on their evaluation forms that your session was interesting, well prepared, relevant to their work, and clearly articulated.

We appreciate your contribution to a very successful conference and, again, want to thank you for your presentation.
