MAYDAY INTERNATIONAL

Dear Avi,

I wanted to personally thank you for a job well done. The behavior pattern awareness and counter-terrorism training was well received and immediately applicable to enhanced force protection measures at the State Capitol complex and directly responsible for the detainment of two foreign nationals (Iraqi) on Capitol grounds the following evening.

The 200 troopers and uniformed security personnel enjoyed the no-nonsense "in-your-face" training. This is the type of training that many promise, but few deliver. In fact, we have implemented several items from your training and integrated the tradecraft discussed into our standard operating procedure for our special teams, including our counter surveillance unit.

I look forward to working with you again in the near future and expanding agency awareness of your security principles. They are immediately applicable and vital to our mission.

Very Respectfully,

Chief, Security Programs
Intelligence and Counterterrorism
Texas Department of Public Safety
